

Registration/enrolment for classes for the winter semester 2026/2027

at the Faculty of Electronics, Photonics and Microsystems

(for all students, registration takes place in the system)

USOS: <https://web.usos.pwr.edu.pl>

General instruction - registration for courses:

https://web.usos.pwr.edu.pl/files/usosweb_registrations.pdf

Registration/enrolment for faculty courses

1. First-stage students (admitted from 1 October 2026)

- - The condition for commencing studies in the fields of your choice is to take the oath and submit an **online declaration** <https://web.usos.pwr.edu.pl> between **October 1 and October 7, 2026**.
- - You will be administratively registered for classes (by the staff of the Teaching Process Support Team - ZOPD), your class schedule will be available by October 1, 2026
- - Failure to submit the oath and declaration in the USOS system by **October 7, 2026** will result in administrative removal from the class groups.

2. First and second cycle students - other years

You register on specific dates via the USOS system:

<https://web.usos.pwr.edu.pl>

On the day of registration/enrolment, students of each field of study will be assigned to designated time slots/rounds according to the following criteria:

First-cycle students – based on the weighted average from the winter and summer semesters of 2025/2026 and/or according to the specialisation

Second-cycle students - based on the weighted average from the summer semester 2025/2026 and/or according to the specialisation

**Please do not link courses to the programme or stage.
This task will be performed by the Dean's Office.**

Registration/enrolment dates for faculty classes:

During which only students from stages preceding the given registration semester will be able to enrol (e.g. students from stage 2 of the 2024/2025 summer semester will be eligible to register for subjects from stage 3).
